# WINE LESSONS at HOME #12

Level: A2+

## WRITING TASK

I would like you to write a brief text describing a food matching that you have experienced in the past. You **MUST** only write a maximum of 50 - 75 words. You can then send it to [writing@wineaspects.info](mailto:writing@wineaspects.info). Put your name and the Lesson number clearly at the top of your text. I will correct it as soon as possible.

Possible things to talk about:

- The name of the dish
- The ingredients
- The name of the wine
- The style of the wine
- If you would recommend it
- Where you had the pairing
